

Playground Project and Green Gang day: Wow! What a fantastic crew of busy and hardworking children and family members. We were able to achieve three times as much as we had planned and I am sure you will agree that the play spaces and school grounds in general look so much better. Our main playground is now ready for our next phase which is to price up for our all-weather surface and to purchase agreed equipment. We will be using a mixture of school funds, VSA funds and our Sport Premium Grant as so much of what we want to do will increase health and fitness for all our children. We will keep you posted with further news as the plans progress. Thank you for your generous and willing support and donations too and to our VSA team who provided welcome refreshments.

Early Years Foundation Stage and Year 2 Parents' Meetings: You should have received a letter inviting you to make an appointment to see your child's class teacher about their progress. Please return your slips as soon as possible to your child's class teacher.

Years 1, 3 and 4 Parents' Meetings: Please look out for a letter inviting you to make an appointment to see your child's class teacher. Please return your slips as soon as possible to your child's class teacher.

Children and staff illness: This term various illnesses have been circulating including sickness and chickenpox. This has affected many of our children as well as staff. We are grateful for our regular team of supply teachers and school based cover supervisors who have been able to support our classes where staff are absent. We are certainly hoping for a healthier summer term!
