

As we come to the end of our Spring term we hope you have enjoyed having the opportunity to celebrate your child's achievements with their class teachers and having the opportunity to see how you can continue to support them in their learning.

We have enjoyed working together this week on our 'Kindness' theme which our Anti-bullying ambassadors shared with us last week. The children have been writing poetry, adding comments to the kindness wall and trying to do 'acts of kindness' to each other. Feel free to encourage your children to continue this theme throughout the holidays!

On the theme of kindness: thank you for your generous support for Comic Relief. We raised £223.94 with our red-themed mufti-day.

Next term we have planned for the Life Education Bus to return to our school as part of our work on promoting healthy attitudes and lifestyles. Please see the back of this note for a letter about their visit and an opportunity for you to attend a parents' session and purchase resources to help you in supporting your child. Please return the slip to the School Office.

Next term we are looking forward to some of our KS2 children taking part in the Jackdaws Music Hub School's Opera and we will be taking part in a singing project which the whole school will enjoy for 10 weeks with a performance at the end. More details to follow.

On your behalf I would like to thank the staff and governors for their hard work and dedication, especially when they have had to carry out extra duties due to children and staff struggling with the various illnesses that have circulated this term.

I would like thank you for your support for your children and the school this term and wish you a happy Easter holiday.
