

SAVE THE DATE - SUMMER FAIR – SATURDAY 17th JUNE

Our fundraising Summer Fair will be held on Saturday 17th June from 12 - 3pm.

The VSA are now planning the stalls and events which will include 'Splat the Rat', bouncy castles, a coconut shy, sporting and construction challenges and many more.... As usual, there will be a raffle with hampers and prizes including free tickets for family days out, holiday clubs, music lessons, pamper treats and food. Also this year we will have free taster sessions from local music, sports and activity groups that everyone is welcome to attend.

More details will follow over the coming weeks, but in the meantime if you feel you could help by running a stall, baking cakes/treats for sale in the cafe or helping to set up/clear up on the day please leave your name and phone number with the School Office and a member of the VSA committee will be in touch.

Also we know we will need the following items, so if you are able to save/donate any of the below that would be a massive help please:

Empty wine bottles for the 'Water/Wine' stall, packets of dry spaghetti for our construction zone, toilet roll or kitchen roll (or similar) tubes, small toys and stationery or party bag type items that we could use as prizes on the fairground stalls

Finally another date for your diary - **Friday 9th June** will be our mufti day in exchange for bottles, sweets, chocolates or smellies for our raffle hampers.

This will also be the day to bring in any teddies in need of a good home for our teddy stall.

With thanks in advance for any support you can offer!
