

Dear Parents and Carers,

I am delighted to announce that due to the interest we have had from our survey, we will be opening a new after school provision at Vallis First School! Initially, this provision will run alongside the after school clubs that the school organises.

As of the 31st October 2017, the Childs Play Clubs UK after school provision will be open Monday to Friday, 3 pm until 6pm during term time. Pre-booked children will be escorted by a member of school staff to this after school provision. Children also have the option (if selected) to attend a school organised club until 4pm and then join this after school provision.

As well as being able to offer parents play based after school care, your child will be able to explore a wide range of indoor and outdoor play opportunities including den building, scrap play, street games, music, art and craft, team games/ sports, storytelling, technology, tinkering and whatever the children and the team can dream up. Play opportunities will be led by the children, with support from our skilled playworkers, who will help the children create an environment where their imaginations take flight! Healthy and nutritious snacks will be provided each day.

Register and book a place today! Register and book a place for your child online by simply going to: www.childsplayclub.co.uk - (Call me if you need help with registration)

Then follow these steps:

- 1) Click on the 'Parent login' tab
