

Moon and Sun Class Overview - Summer Term

This half term we will be observing growth and change. Our main texts will be; 'Oliver's Vegetables' & 'The Tiny Seed'

Personal Social and Emotional Development

The children will work together to take care of; tadpoles, beans, flowers and incubating eggs.

Communication and Language

The children will talk about and compare the four seasons. They will talk about signs of spring. They will also think about how they have changed since starting school and discuss the things they can do now that they could not do when they were little.

Physical Development

The children will talk about what they need in order to grow healthy and strong. They will be pushing, pulling and climbing in PE. They will talk about healthy and unhealthy food and drinks and discuss how their body feels before and after exercise. They will also be developing their pencil grip and letter formation.

Literacy

The children will continue to develop their reading through our Reading Scheme. They will be writing about their experiences in and around school. They will explore cookery books and write their own cooking instructions.

Maths

The children will be learning to add and subtract by counting on and back. They will also be exploring repeating patterns in the environment. They will also weigh and measure their cooking ingredients.

Understanding the World

The children will use their senses to explore the signs of Spring. They will also explore different foods and recipes. They will decide on and make a dish of their choice.

Expressive Arts and Design

They will use the laptops to create a picture of Spring. They will use dance to create movements to Spring music.
