

Bank Holiday Monday 7th May: We are looking forward to what promises to be a lovely Bank Holiday weekend with much improved weather and temperatures. We will see you back in school on Tuesday 8th May hopefully armed with sun hats, water bottles and smothered in sun cream ready for a proper Summer Term!

School Travel Challenge: Last year we were involved in the Frome Missing Links Schools' Travel challenge which was designed to raise awareness of the aims of Frome Missing Links group which is trying to develop the cycling and walking link between Frome and Radstock and on to Bath. During the week 21st- 25th May we will be taking part again. Children will be encouraged to walk, cycle or scoot to school and we will be hoping to increase the percentage of children who do this during the week compared to our usual percentage. On Monday 21st May we are hoping that any children who walk, cycle or scoot to school will be able to join us for a healthy breakfast snack at 8.30am. On Friday 25th May children will be encouraged to bring in a donation in aid of the Frome Missing Links project and they will be able to wear something to 'Be Bright and Be Seen'. This might be light coloured or fluorescent clothing which as we all know is important when walking, cycling or scooting especially when it is getting darker. We will let you know about other details of the week as the arrangements are confirmed. Congratulations to the Luttrell family who completed their cycling challenge in aid of this worthy cause!

Trinity Community Group projects: As our school falls within the Trinity area we are keen to support the work of this enthusiastic team of volunteers who are seeking to make improvements to the area but also keep the area looking as good as possible. As you know our children have been supporting their campaign against 'dog poo' with posters and by writing to the Mayor. As a result of their campaign we are hoping that new bins will be installed in the area which can be used for dog poo as well as general rubbish. Please see the details of the latest 'Bin it for Trinity litter pick' on the back of this Thursday Note. Please volunteer to support this worthy campaign to reduce rubbish around the area of our School and community. All equipment is provided.

School Disco: If your child has a ticket for the disco tomorrow then they should have come home yesterday (Wednesday 2nd May) with some information on dropping off and refreshments. Just a reminder that as this is a VSA event and not a continuation of the school day, therefore it is the responsibility of parents/carers to ensure children are picked up as normal and taken to the School Hall to formally hand them into the care of VSA helpers. Parents do not need to stay with their children.
