Summer Fair - Saturday 16th June - 12 - 3pm

It is just over 5 weeks until our annual Summer Fair, here's how you can get involved in the preparations:

- Friday 8th June will be mufti day for raffle hamper goodies. Children can wear their own clothes to school in exchange for boxes of chocolates, bottles of wine, smellies or anything else that can go into our prize hampers.
- Donations of empty wine bottles, old teddy bears in need of new homes, second-hand books, and prizes suitable for our lucky dip would be very much appreciated - please leave them with the School Office for the VSA to collect.
- If you, your employer or a family member/friend could donate a voucher etc. for our raffle please let us know by leaving details with the School Office or via our VSA Facebook page.
- We are in desperate need of more helpers to run stalls on the day - if you can donate some time on 16th June please get in touch.

VSA Committee Meeting: The next meeting will take place on Wednesday 16th June in the Library at 3pm, with a crèche for the children. We will be discussing progress on the plans for the Summer Fair. Anyone with any suggestions for stalls/activities are welcome to attend.
