

VSA News

Cake Sales: Congratulations to Moon Class who raised £87 in their cake sale last week, well done! It is the turn of Satellite Class this Friday - as you know this class doesn't have a core group of parents like the other classes do, as they support children from across the school. If anyone is able to bake or buy some cakes to sell to raise money for Satellite it would be very much appreciated by Mrs Williams and Miss Sturgess.

School Disco: We are hoping to hold another school Disco before the end of the year and are currently looking for a suitable date that fits in with the Fair, Transfer Day and the Year 4 Leavers Party. We'll advertise a proposed date after half term.

Summer Fair - Saturday 16th June: 12 - 3pm

Prize Competitions: This year we are going to have three competitions for children/families to enter at the fair. The competitions are:

- **Cake Competition:** There will be a prize for the best decorated cake. You can choose from the following themes - 'All the fun of the Fair' or 'Animals and Nature'. We will also have a silent auction for the cakes during the Fair, with the results announced at 14:30 on the day.
- **Lego Competition:** Louise Bastable Architects will be awarding a prize to the best vehicle or structure made out of Lego.
- **Shoebox Garden:** There will be a prize for the best Shoebox Garden entry.

All entries will need to be brought to the Fair on Saturday 16th June by 12:30pm for judging. More details will follow after half term. We hope as many of you as possible will enter!

- **Friday 8th June will be Mufti day** for raffle hamper goodies. Children can wear their own clothes to school in exchange for boxes of chocolates, bottles of wine, toiletries or anything else that can go into our prize hampers. Donations of empty wine bottles, old teddy bears in need of new homes, second-hand books, and prizes suitable for our lucky dip would be very much appreciated - please leave them with the office for the VSA to collect.

Thanks as always for your support.
