

Starting in Year 5 at
SELWOOD SCHOOL

September 2020

Hello!

We hope you are ok and enjoying some time at home with your family.

We are missing you very much and are really missing our time with everybody at school.

In September you will be starting your new school, Selwood Academy. Starting a new school is a very exciting time - you will have a new uniform, meet new people, have lots of new classes and see some of your old friends from Vallis. It can also be a little bit scary but you are very lucky to have lots of lovely teachers at Selwood who will help you and your friends find your way around and get used to being at your new school.

We have made a little work booklet for you to have a look at with your adult at home. We hope it will help you talk about any worries you might have, help you get ready for starting your new school and also let you know some things about your new school.

We've left some spaces for you to draw or write your information or ideas. There are some pictures at the end of the booklet which might help you if needed.

You can talk to your adult at home about any worries you have to help you feel better.

At my new school, I will have new teachers. I will have one special teacher called my tutor and I will go to their classroom every morning for the register. Soon I will find out who my tutor is. That will be very exciting! My new tutor will help me if I need anything.

When I start at Selwood School my tutor will give me a special piece of paper called a timetable. My tutor will give me a special piece of paper called a timetable. My timetable will tell me what lessons I will have each day and where I need to go for my lessons. My timetable will look a little bit like this:

I will make new friends and my friends from Vallis School will be there too!

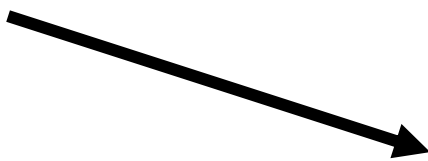

At playtime I will have my snack and go outside to play with my friends.

At lunchtime I will eat my lunch with my friends and we will go outside to play, just like at Vallis School.

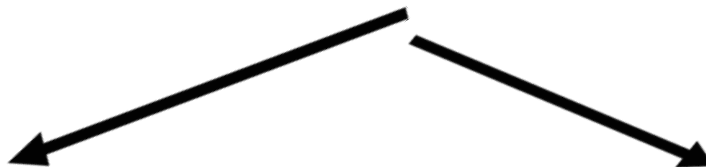

I can ask my teachers or my friends for help at any time.
