30<sup>th</sup> November 2020

Dear Parents/Carers,

### **Advice to all Parents/Carers**

Today, we have been made aware of one pupil at Vallis who has tested positive for Covid 19. Public Health England have advised that no further action is required as the child has been self-isolating for 10 days.

The school remains open and your child should continue to attend as normal. If your child begins to show any of the symptoms: a new continuous cough; a high temperature or a loss of, or change in, your normal sense of taste or smell, then they should stay at home and a test should be arranged as soon as possible.

**Please keep the school informed at all times.**
