

Vallis School Association (VSA) News

20th October 2021

Christmas Card update

Links have now been sent to enable those who returned their forms to the VSA to buy cards, gift tags, calendars and mugs with your child's design on them. The company do not accept late orders, so if you want to place an order you must do so by this Saturday (23rd October) which is our deadline. If you didn't get a text or email please contact us via one of the methods below, stating your child's name and where you handed in the form and we will look into it for you.

Christmas Bingo

You will probably not be surprised to read that due to the current Covid situation Christmas Family Bingo will not be able to take place again this year. However, the Committee is not to be deterred! We have come up with a number of alternative fundraising ideas that we will be planning over half term, so watch this space.

We still plan to run a raffle as part of our activities and will be holding the traditional mufti day for hamper goodies on Friday 19th November. If any families with links to local businesses are able to arrange/donate any vouchers, raffle prizes or similar on top of the goodies for our hampers, please let us know via our email or Facebook page (details below).

Firework Safety Poster Competition

One of our lovely new committee members is running a firework safety poster competition for children to enter after half term. A flyer will be coming home before we finish this week with more details, and children should bring their finished poster into school on Monday 1st November for judging. There will be a prize per key stage and the poster will be displayed around the school and on our notice board at the top of the KS1 slope. 50p entrance fee, and all money raised will go towards buying new items and equipment for Forest School.

Thank you for your continued support 😊
