

Homework Tasks Autumn 2 2020-Key Stage 1

What is the best toy in the world?

Please complete at least 4 of the activities in the grid and return to school by Friday 9th December.

Please bring in any completed tasks before then.

It is Anti-bullying week this term and we will be wearing odd socks on 14.11.22 to start the week. As part of this week Vallis focus' will be being kind. Make a compliments jar full of kind things you can say to each other.	In Science we will learn about materials and their properties. How many different materials can you find? What are they used for? Draw what you find and label the materials used.	Set up your own Toy Shop at home. Buy toys from your shop using the correct money or work out how much change you need. Take photos of your shop or draw what you bought and the coins you used.
Which materials can you recycle at home? Recycle your rubbish to make a model and bring it in to show. Does it have a moving part? Can you write instructions of how you made it?	Speak to an older member of your family to research what toys they had when they were young. Are the toys the same or different from the toys you have?	Make a tally chart of the types of toys you have or of the materials your toys are made from. Which is the most/ least popular? 
This term we will visit Frome library. Visit or join the library. Share a book you like by making a poster about it or recording facts you have learned.		

Remember **Minute Maths** for a quick practise of key skills <https://whiterosemaths.com/resources/1-minute-maths>
