

Parent Governor Vacancy: We have a vacancy on our Governing Body for a Parent Governor. If you are interested in supporting the school in this way and would like to find out more please contact Mrs Pauley to have a chat about this role. Parents should be part of our current parent body and ideally know the school well as you will need to be nominated and seconded and voted for by parents from the school.

Friday 17th May Reception Playground Project Day: Thank you to all those who have already volunteered their time or donated resources to help with the revamp of our Reception Playground. There is plenty to do if you would like to help - please see Jacky Ankerman in the School Office.

20th - 24th May 2019 School Travel Challenge Week: During this week schools will be promoting travelling to school either on foot or via bikes and scooters. We will be trying to decrease the percentage of children who are using a car to get to school. If you have to use your car because you go to work afterwards then your children can be included if you park the car a little further away from school and walk, bike or scoot some of the way. During the week we will have various activities happening on the school site. There will be limited spaces for children to access these activities so we have decided to draw names out of a hat. Any child taking part in these activities will need to have media permission for the School Travel Challenge team to use in their publicity or funding applications. Parents will need to complete the slip below so that their child can be entered into the draws for the various events and return it to the **School Office by Friday 17th May 9am** so that names can be drawn ready for Monday.

Monday: 8.30 - 9am: Healthy breakfast provided outside school by the VSA for all who walk, scoot or cycle to school.

9 - 12pm: Dr Bike- get your bike mended or serviced. First come first served- collect a raffle ticket from Mr Smith.
