

Moon and Sun Class Superhero Challenges

Each week, we will post a grid of activities for your children to enjoy and keep their learning going. Our whole school theme is Superheroes. However, if your child has a special interest, please feel free to adapt the activities accordingly!

If your family were superheroes what special powers would they have?

Make a book and draw your family members as superheroes, can you describe their powers?

Can you make up a story about your family of superheroes?

SUPERHERO READER!

Make a list of all the tricky words you find in the books you read at home. Which word appears the most?

I
no

oh
Mrs
people
their
called
Mr
looked
asked
could

Design a superhero costume for a new superhero

You could use old socks, t-shirts or any fabrics that the grown ups no longer need.

Superheroes at Home

- *Jog on the spot for 20 seconds getting faster towards the end, can you feel your heart beating faster?
- *How many star jumps can you do in 10 seconds
- *Can you hop on 1 foot for 10 seconds?
- *Find a wall, how many arm push-ups can you do in 10 seconds?
- *Repeat these every day, did it get easier after seven days?

Make a vehicle for a superhero out of junk modelling materials

Remember to give it some special features!

Maths Superheroes

Use your superpowers to find 2D and 3D shapes in the garden and draw what you found.

Use your superpowers to find 10 objects in the garden, can you place them in order starting with the lightest?

Take turns with an adult to roll a dice and collect that amount of stones/pebbles from the garden. Who will be the first to collect 30? Talk about more and less.

Which Powerful Learner did you have to be to achieve each activity?

Sensible
Squirrel

Wise
Owl

Tough Tortoise

Team
Ant
