

Vallis Time Travellers – KS1

Design and make a Time machine.

How did you make it? Could you write instructions for someone else to follow?

What special features does your machine have?

Interview grandparents or other family members. Write some questions to find out about what their life was like when they were the same age as you. Then phone or video call them to find out the answers. What is the same/different?

Go for a walk around your local area. Pretend to be historians looking for evidence of the past. Draw or take photographs of the clues you find about the past. Make a map of your route.

Time Capsule 2020

Make a time capsule to show future generations about 2020. Find or make a suitable container that you can fill with evidence about aspects of your life in 2020. Think about what you would place in it. Perhaps you could represent your toys, hobbies, the news, your family, homes and write a letter to the person in the future who will find it.

If you are able to share your time capsules on Virtual Vallis we would love to see them!

Find somewhere safe where you can bury it ready for discovery in the future.

Where will your time machine take you? What adventures will you have? Will you travel to the past or the future? Write a story to share with your friends, family or teacher. Make a mini book to write it in by following these instructions

<https://www.youtube.com/watch?v=21qi9ZcQVto>

Travel in your time machine back through your life. Can you make a timeline of important events and include the dates. Can you extend your timeline into the future to show your hopes/dreams?

Make or play games that children played in the past like hopscotch, noughts and crosses, jacks, marbles, skipping, hoopla etc

BBC bitesize are also providing lessons for you to access at home: <https://www.bbc.co.uk/bitesize/primary> or choose a daily maths lesson from <https://whiterosemaths.com/homelearning/>

Don't forget to log in to TT Rockstars and Numbots (Phone into school to get your child's login). <https://trockstars.com/>

Keep up with your daily reading too <https://home.oxfordowl.co.uk/>
