Vallis Time Travellers Week 2 - KS1

Vallis Inventors
Go forwards in time in your time machine.

You are a famous inventor. Draw or make your own invention. You could find out about real life inventors today or in the past. Was their invention a success?

Write 3 questions to ask the teachers about what it was like when they were at school. If you post it on Virtual Vallis you might get an answer!

You are going back in time 100 years. You can only take one thing with you. What would it be? Draw / find a picture of your item and write a caption for why you've chosen it.

Find out about an important person from the past. Use BBC bitesize to help you find out about significant people in history by following this link https://www.bbc.co.uk/bitesize/topics/zf49q6f

Make a maths machine
You decide what the machine will do to
the numbers you put in it then work out
what number comes out. Your machine
might x2, double, +10 etc.

News reporters

Write a newspaper report or film
a news report from the past,
present or future. It maybe from
a time or place that your time
machine has taken you to.

Paint, draw or collage a picture of the place you visited in your time machine.
