

Vallis Time Travellers

Welcome to our new topic 'Time Travellers'. We hope you and your children enjoy some of our new activities.

<p>Find travel machines from TV and film - draw a picture of them and create a fact file about them. Then design your own time machine.</p> 	<p>Imagine that you are a time traveller and you go back many millions of years in time. What item would you take with you and why?</p>	<p>BBC bitesize are also providing lessons for you to access at home: https://www.bbc.co.uk/bitesize/primary</p>	
	<p>Write a letter to yourself in 10 years' time. Are there any questions that you would like to ask your future self? What would you like to say to him/her?</p>	<p>Don't forget you can do a daily maths lesson from White Rose Maths Home Learning and log in to TTRockstars</p>	
<p style="text-align: center;">Time Capsule 2020</p> <p style="text-align: center;">Make a time capsule to show future generations about aspects of your life in 2020. Find or make a suitable container that you can fill with evidence about your life in 2020. Think about what you would place in it. Perhaps, you could represent your toys, hobbies, the news, your family, homes and write a letter to the person in the future who will find it.</p> <p style="text-align: center;">If you are able to share your time capsules on Virtual Vallis we would love to see them!</p> <p style="text-align: center;">Find somewhere safe where you can bury it ready for discovery in the future.</p>			
<p>Be a Mathematics Time Traveller and learn your next Times Table (Moving on from your current focus times table: 2, 5, 10, 3, 4, 8, 6, 7, 9, 12, 11)</p>	<p>Find a recipe from a different period of time. Can you cook it to share with your family?</p> <p>Listen to a piece of music from a different era. It could be 20th century rock, or classical or baroque music for example. Do you like it? Write a music review.</p>		<p>Compare homes, clothes or toys to those from a different period of time. You might choose, during Second World War, Victorian, Viking or Roman times for instance. How were they similar or different? How do you think they might look in the future?</p>
