'BEST BIRTHDAY BASH'

While we haven't been at school lots of you have had birthdays or have them coming up soon. This week Ms Rainford, Mrs Molloy and Mrs McPherson celebrate their birthdays so we would like you to have the best birthday party ever at your house!

You will need to write invitations to everyone in your house, plan what games or activities you are going to do (make sure you write the instructions of how to play them), design and bake the most amazing birthday cake, design and print wrapping paper for presents and pass the parcel, decide what food you are going to have and work out how much you need to make for everyone, design a banner, make things for the party bags for all your guests..... There's always so much to plan! We look forward to seeing all the photographs of you having a great time! Could it be the biggest birthday ever!!
