

Vallis' Guinness World Records – KS1

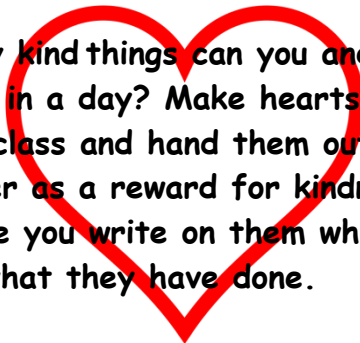

| | | | |
|---|---|--|---|
| <p>Record breaking facts</p> <p>Which animals are the fastest? strongest? smallest? tallest? oldest? most unusual?</p> <p>Can you make an animal world record book or poster to show all the amazing facts you find out?</p> <p>Or you could choose flowers, birds, sports, cars or something else to research</p> | <p>Invent your own record breaking animal. Draw a picture of your animal. What record would it break? What would it be called? Where would it live? What would it eat? How big is it?</p>  | <p>Make the longest daisy chain. Now measure it.</p> | <p>Make the longest paper chain. Now measure it</p> |
| | | <p>How high is the tallest tower you can build? You could use Lego, spaghetti or even newspaper. How tall is it?</p> | |

Are you a Vallis Record Breaker?

Choose one or both of our record breaking challenges then let us know how you get on. We want to see who is the record breaker in each key stage and across the whole school. Check out 'Make & Break' on

<http://kids.guinnessworldrecords.com/activities>

- Who can make a rubber band car travel the furthest?
- Who can hit a target the most times in 3 minutes with a paper aeroplane?

|--|---|--|
| <p>Set yourself a reading challenge. How many books can I read in a week? How many pages? Make yourself a certificate if you achieve it.</p> | <p>Make yourself a list of daily exercises: skipping, star jumps, hops, burpees etc. How many can you do in a set time limit? Challenge your family or friends over the internet. Make a bar/tally chart to see if you improve/get faster/do more each day.</p> | <p>How many kind things can you and your family do in a day? Make hearts like we do in class and hand them out to each other as a reward for kindness. Make sure you write on them who it is for and what they have done.</p>  |
| <p>Go on TT Rockstars or Numbots. Can you beat your score?</p> | <p>How many yellow or green things can you find in your house? Make a list of what you find.</p> | |

BBC bitesize are also providing lessons for you to access at home: <https://www.bbc.co.uk/bitesize/primary> (White Rose Maths is now on here too)

Keep up with your daily reading too <https://home.oxfordowl.co.uk/>
