

Vallis' Guinness World Records 2 – KS2

<p>What is the tallest tower or bridge that you can build? You could use lego or spaghetti for example.</p> <p>How many toys (eg toy cars) can your building hold?</p>	<p><u>Our Next Theme</u></p> <p>We love seeing what you have all been up to at home. We would also love to hear your ideas for our next whole school theme and the sorts of activities you might like included.</p>	<p>Go on a walk; collect and find a record breaker... for instance, what was the daisy with the longest stem you can find? How wide was the widest leaf?</p> <p>What will you use to measure your items? What units of measurement should you use?</p>

'BEST BIRTHDAY BASH'

While we haven't been at school lots of you have had birthdays or have them coming up soon. This week Ms Rainford, Mrs Molloy and Mrs McPherson celebrate their birthdays so we would like you to have the best birthday party ever at your house!

You will need to write invitations to everyone in your house, plan what games or activities you are going to do (make sure you write the instructions of how to play them), design and bake the most amazing birthday cake, design and print wrapping paper for presents and pass the parcel, decide what food you are going to have and work out how much you need to make for everyone, design a banner, make things for the party bags for all your guests..... There's always so much to plan! We look forward to seeing all the photographs of you having a great time! Could it be the biggest birthday ever!

<p>Create a game or quiz for your family on record breaking facts. You will need to do a little research to find the answers to your questions.</p>	<p>Create a set of Top Trumps cards. Choose a genre such as super heroes or animals and decide how you will score them. Eg strength, speed, intelligence. Play them game with your family.</p>	<p>Make up your own Olympics! Challenge your family at home or friends on Facetime, Whatsapp or Zoom to a sack race, garden sprint, welly throwing or skipping. You might even make an obstacle course and see who can complete it in the fastest time. Who are the Vallis Record Breakers?</p>	<p>Write a story of your own. How many really effective 'writers' tricks' can you use? Eg similes, alliterations, fronted adverbials. We would love to see your writing on Virtual Vallis!</p> <p>Find out about a record breaker from the past-First man on the moon, first person in space, first person to discover America. What other exciting records can you find out about? Make a poster or a PowerPoint about all the interesting facts you find out.</p>
