

Whole School Theme – Around the World in 80 Days

Have fun completing some of these activities with your child/ren over the next week. Don't forget you can still share their work in our Virtual Vallis Facebook group or email your teachers!

<p>Make a globe or world map. You could use paper plates, a balloon, Paper Mache or even an orange.</p> <p>Show us where you would visit in 80 days. Use wool, string or a pen to mark your route.</p> 	<p>Watch or read a version of 'Around the World in 80 Days'. Write a review telling us what you liked about it. Would you recommend it to someone and was there anything you didn't like?</p> <p>If you are watching a film, please ask your parents/carers if it is appropriate first.</p>	<p>Find about weather conditions and climate in five different countries around the world. Create a poster, leaflet or PowerPoint telling us what you have found out.</p> <p>Choose one or more of the countries you have researched. If you were to visit, what would you pack in your suitcase to make sure you are appropriately dressed? Do the customs or religions of a country also influence this?</p>	<p>Choose a recipe from a different country to cook and share with your family.</p> <p>We would love to see some photos on Virtual Vallis or emailed to your class teachers.</p> 
<p>Make a postcard or write a postcard to a friend or family member.</p> 	<p>Plan a route around your local area for you to follow. You could go for a walk, cycle or use a scooter.</p> <p>How can you find out how far it is?</p> <p>How long does it take you?</p> <p>What did you see along the way?</p>	<p>Learn a folk dance from a different country or create your own.</p> <p>We would love to see some videos on Virtual Vallis or emailed to your class teachers</p>	<p>If you would like more structure you can refer to https://www.bbc.co.uk/bitesize or https://www.thenational.academy/</p> <p>where you will find daily lessons for Maths, English and other subjects. Just click on your child's year group.</p>
