

Vallis School Association (VSA) News

3rd November 2021

Class Cake Sales

It is the turn of Milky Way Class this Friday. Milky Way Class parents/carers are asked to bake or buy cupcakes, biscuits, flapjacks etc for sale with all money raised being used by the class teachers to buy extra toys and treats for use in golden time. If you can help pack the cakes on Friday morning from 9am in the Community Room please let Mrs Frost know (it takes about 30 minutes). The next cake sale will be Galaxy Class on 12th November.

Christmas raffle prize donations

If you have any links to local businesses and can arrange/donate any vouchers, raffle prizes or similar for our Christmas Raffle at the end of the month, please let us know via our email or Facebook page (details below).

Christmas Card update

If you ordered Christmas Cards from Xmas 4 Schools then these will hopefully be with you this week as the printers have notified us that they have been despatched.

Raise money for the VSA while doing your Christmas Shopping!

If you are shopping online in the run up to Christmas you can use The Giving Machine to raise money for our school. Sign up, choose Vallis First School as your cause and a percentage of your total spend at a wide range of retailers is paid to the school as commission.

Find out more at [The Giving Machine](#).

Firework Safety Poster Competition winners

Thank you to everyone who took part in the firework safety competition over half term – the winners were Jack in KS2, Edgar in KS1 and Sonny in EYFS. Congratulations to you all and look out for your poster around the school this week.

Thank you for your continued support 😊, VSA
