Headteacher Mr Nick Firkins

Friday 21st October 2022

On Monday, we had a pirate visit us in assembly. Thomas and Rebecca Moore are a husband and wife team who are writing an exciting new series of books. Thomas shared the latest book with us in assembly and the children asked lots of questions about the books. If you'd like to know more, please click on the link which will take you to their web site: <https://thesecretslide.co.uk/>

I know that they visit lots of local festivals and events so look out for them in the future. On their website, there are details of a competition too that I mentioned to the children in assembly.

You may remember last week I mentioned that the Trinity Community Group are doing a public consultation on the shortlisted artists for the murals to go on the side of the Griffin pub and the end house overlooking the EYFS playground. The following link will take you to the ideas and allow you to give any feedback you may wish to make. <https://www.yrpri.org/group/26090>

Last week, Neptune class shared some of the learning they have done this term with the rest of the school. Their enthusiasm and engagement with their topic really came through.

I hope everyone has a great half term and we look forward to seeing you all again on Monday 31st October.

Nick
