

Vallis Eco Council are pleased to report the results of their '**Single Use Plastic**' survey.

In all classes children mainly bring **reusable water bottles**

and snacks in reusable pots or just pieces of fruit.

This is brilliant!

We would like to try and reduce the number of single use water bottles and snack pots.

Unfortunately, the milk that we have comes in small bottles so there are many single use milk bottles being used at Vallis.

We suggest that plastic pots are reused in crafty activities and we are going to write to the local supermarkets to ask them to stop putting fruit and vegetables in

plastic.

The survey shows that Vallis is working hard to reduce single use plastic – **well done!**
